25X1A

A number of CIA employees have never designated a beneficiary to whom money standing to their credit in the Retirement Fund should be paid upon the death of the employee or annuitant. In Addition, some employees may wish to change or revoke a previous designation.

Employees of your branch who wish to make a designation or change should complete Form 2806-1 (original and duplicate copies) and return both copies to this office. Employees previously employed by another agency who have submitted Form 2806-1 through that agency need not do so at this time. New forms are not to be submitted for a change of address only.

A small supply of Forms 2806-1 are enclosed.
